

The development of international business since the 1870s

View Online

In 1867 Singer Sewing Machine Company chose the east end of Glasgow for its first overseas manufacturing plant. This is widely regarded as the first ever example of a company engaging in international production.

This class will examine the evolution of international business - specifically Foreign Direct Investment - since then, and examine the changing actors in terms of companies and countries as home and host nations.

An open and shut case. (20161001). The Economist.
